

Celebrating 180 Years

svsf St. Vincent and
Sarah Fisher Center

1844 - 2024

Dear Friends,

As the summer season draws near, the SVSF Center is buzzing with anticipation for the months ahead. We're gearing up for a summer filled with growth, learning, and boundless opportunities, and we're thrilled to have you join us every step of the way.

Summer is a time of exploration and wonder, particularly for the young minds we serve. Here at SVSF Center, we're getting ready to launch an array of captivating activities designed to ignite creativity and inspire curiosity. Combining educational programming with arts and crafts, hands-on learning experiences, and engaging STEM projects ensures that children not only enjoy themselves but also continue to learn and become more equipped for the upcoming fall season. Through our valued community partnerships, we're expanding our reach to ensure that every child in our community has access to enriching summer experiences.

But our dedication to growth extends far beyond the summer months. We're committed to nurturing the continual development of the Center, both in terms of physical space and educational offerings. Our adult education students are hard at work, preparing to take the next step in their academic and professional journeys. With GED testing always on the horizon, they're on the verge of realizing their aspirations and making meaningful contributions to our community.

Yet, none of this would be possible without the generous support of individuals like you. Your contributions play a vital role in expanding our programs and ensuring that every member of our community has the resources they need to thrive.

As we look ahead to the coming months, we're excited to share that a major announcement is on the horizon. In the fall, we will be unveiling the **1844 Society**, a permanent recognition program honoring our most steadfast supporters. Stay tuned for more details on how you can become a part of this special initiative!

I invite you to make a gift in support, together, we have the power to make this summer a season of growth, learning, and opportunity for all. Thank you for considering our request, and we can't wait to embark on this journey together.

Warm regards,

Diane Renaud, Executive Director/CEO

2024 GIVE AND GROW

Help Us Grow the Future Leaders of Tomorrow!

Does your employer have an Employee Giving/Matching Gift program? A volunteer group? Give grants to non-profits? Or are there employee activities such as a jean day that raise money? **Ask how St. Vincent and Sarah Fisher Center can be included.**

Some examples:

- A Donation of \$50...** learning materials for an Adult student working toward their GED.
- A Donation of \$100...** summer activity supplies for one child in the Children's Summer Education Program.
- A Donation of \$500...** provides guidance, resources, support and career readiness tools for Adult students to choose their career path leading to sustainable employment.
- A Donation of \$1,000...** educational field trip adventures that will peak children's curiosity, enrich their learning, and leave lasting memories.

SVSF Center is delighted to extend our heartfelt gratitude to the generous donors who have shown unwavering support throughout 2023.
